Johannesburg (South Africa), 24 September – 5 October 2016

Committee I

Standard nomenclature: Report of the Animals and Plants Committees

DRAFT DECISIONS ON THE CITES CACTACEAE CHECKLIST (3RD EDITION)

This document has been prepared by the chair of the working group on this matter established in the third session of Committee I. It is based on matters arising from the discussion of document CoP17 Doc. 81.1 at the third session of Committee I.

Directed to the Parties

17XX The Parties shall inform the Secretariat of their experiences of using the CITES Cactaceae Checklist (3rd edition) and of any issues that may arise as they apply the list.

Directed to the Secretariat

17XX The Secretariat shall liaise with UNEP-WCMC to obtain feedback on the utility of the CITES Cactaceae Checklist (3rd edition) and any queries that arise as they update Species +.

17XX The Secretariat shall inform the Plants Committee of this feedback and any comments it receives from Parties in order for the Plants Committee to review this at its regular meetings.

Directed to the Plants Committee

17XX The Plants Committee shall review the feedback from UNEP-WCMC and information received from the Parties to report on this, and, as required, make recommendations to the Conference of the Parties at its 18th meeting.
